This course will cover the Ohio State Standards for the 11th grade. Students who complete this course will be prepared to advance to PreCalc or Transition to College Math.

Text Algebra II, 2014 McGraw Hill, online [connected.mcgraw-hill.com](http://connect.mcgraw-hill.com)
Materials Class Binder, Paper, Pencil, **I prefer students to use pencil**
Textbook, Agenda.

Students MUST come to class prepared daily!

Homework Homework is a very important part of learning the topics being covered. Students need to practice concepts on their own. Time will be allotted at the end of the period to begin and perhaps even complete homework at the end of class.

Grading The grading scale is the adopted scale for the entire school. It is posted in the classroom and is also in your student agenda.

- ❖ Tests will be worth 100 points. Students will be expected to take a test if not absent the day before.
- ❖ Quizzes will be over previous homework questions as well as general topics.
- ❖ Aleks discussion?
- ❖ If a student is absent they have the same number of days as the number they were absent to turn in a missed assignment. For example: If a student misses 2 days they will have two days to turn in missed assignments.
- ❖ There will be no extra credit available. Bonus points will be available throughout the nine weeks.

Tutoring Students may receive extra help with tutoring. Please see me as soon as you feel you might need help. Tutoring options include peer tutoring through the guidance office, activity period with me, and the "Steps" program. You may also visit go.hrw.com for extra help.
*** I am available every day from 7:00-7:45 and most days from 3:00 - 5:00 during the STEPS program. I will always be willing to come early or stay late to help a struggling student.**

Classroom Behavior See the student handbook regarding the discipline policy. This will be followed precisely.

Course outline We will be covering 11th-grade math indicators Ohio Learning Standards

Academic Honesty If a student is caught cheating, he/she will receive a zero for that assignment, parents will be notified and detention assigned.
